

Social Connections

A Social Language Group for Children and Adolescents

Social Connections is a six week psycho-educational group that provides social and communication opportunities. This group is designed for children and adolescents who have communication difficulties during social interactions, including children with diagnosed social deficits.

Social connections is an opportunity to interact with other peers in a structured and fun environment!

Topics include:

- Feelings & Emotions
- Non-verbals
- Friendship skills
- Body Language
- Bullying
- Conversation Skills
- Phone skills
- Manners
- Problem solving

First session begins

January 8th

5:30-6:30 p.m.

Location: Central &
Andover Road

See Heather Holcomb,
LCSW for more details
